By signing this contract Client certifies that the veterinarian listed above is experienced in or familiar with insemination through transported semen, and practices equine reproduction as a regular part of his/her practice; is available for palpation, cultures and any other necessary procedures, and has consented to performing said service.

Transportation Fees: Client is responsible for the shipping charges for the delivery of the equitainer and for the return of the equitainer to Adandy Farm.

All overnight express shipping fees for the shipment of the equitainer will be charged to the Client and due upon receipt.

Note: Commercial carriers such as Federal Express or UPS make All shipments. These services are not available for Sunday delivery. Premium rates are charged for Saturday delivery, which is not available at all locations. Therefore, if Client requires shipment or delivery on Sunday, it must be made by a commercial airline, and said shipment would have to be picked up at the nearest airport by Client. These charges are in addition to the charges set forth above and must be paid for by said Client.

Conditions of Service Contract: The Client understands and accepts the terms of this agreement. The Client understands that certain fees must be paid **BEFORE** semen will be transported, as outlined in this agreement. The Client understands that the Stallion Service Contract must be signed and returned **BEFORE** semen is shipped. The Client understands that the mare must be examined by a veterinarian using ultra-sound scan at 16-20 days post breeding. At this time if the mare is in foal, Client must alert AF of the situation and schedule a second ultra-sound scan for 32-35 days post breeding and a palpation between 50-55 days post-breeding, to status of the first ultra-sound scan. If the mare is not in foal, Client must contact AF immediately so we know your mare will need more semen. The Client understands that it is essential to call AF at the beginning of the mare's heat cycle, so that AF may advise the Client of the days in which the stallion will be collected.

Request for semen shipment must be made by 10:00 a.m. Eastern Standard Time. If you need semen to be shipped on a Saturday, you must order it no later than Friday morning at 10:00 a.m. Eastern Standard Time. Adandy Farm may refuse to ship semen to Client, at any time, if these procedures are not followed.

Successful Pregnancy: both the Client and AF that the final responsibility of a successful pregnancy, using transported semen, lies with the client and his/her veterinarian understand it. However in the spirit of achieving a successful pregnancy, AF will offer all of its combined expertise and the following options. If after breeding through three (3) heat cycles, the mare fails to conceive, the Client shall have the reproductive status of the mare re-evaluated and consult with Adandy Farm jointly decide to:

- a) Continue breeding.
- b) Select a substitute mare and continue breeding.
- c) Client may ship the mare to AF for reproductive analysis and continue breeding at AF.

- d) Stud fee is to be paid within thirty (30) days of mare foaling.
- e) If mare is sold in foal to contracted stallion stud fee must be paid immediately.

If Client discontinues breeding and does NOT exercise any of the above options, Client to AF will forfeit all fees and deposits previously paid. There will be no cash refunds and all re-breeding rights will be forfeited.

Live Foal Guarantee: Should the mare abort or the foal fails to stand and nurse, it is the responsibility of the Client to inform Adandy Farm in writing, certified by a veterinarian, within ten days of the event. In either case Adandy Farm agrees to re-breed the mare as soon as she is fit. There will be no additional breeding fees for a re-breed, but transported semen fees, including administrative and handling fees will apply. The client agrees to keep said mare in good physical condition throughout her pregnancy, vaccinate for Rhinoneumonitis at 5, 7 and 9 months of pregnancy and deworm regularly. If these normal health care practices are not performed all re-breeding privileges and breeding fees will be forfeited. Any deviation from these procedures could result in forfeiture of all breeding fees paid, and the rights to a signed Stallion Service Certificate for Client's foal. Furthermore, any attempts to obtain pregnancy with transported semen in any mare, other than the mare described in this contract, will result in the same forfeiture.

Release of Liability: Client fully understands, authorizes and assumes the special risks inherent in breeding Arabian Horses with the use of transported semen. Client also understands that the risk of failure due to many variables and unknown causes and shall hold Adandy Farm and stallion owner harmless from any losses suffered due to any unsuccessful attempt at conception.
